SEMINAR 10.09.96

"Moulage par Injection de Poudres Métalliques - Metal Injection Molding (MIM)"

Table of Contents

- **Préface**
- **Vorwort**
- **Introduction au MIM** F. David
- **CIM Ceramic Injection Molding / MIM Metal Injection Molding** M. Jorio
- **Metal Injection Molding of Nitrogen-Alloyed Nickel-Free Stainless Steel** W.-F. Bähre
P.J. Uggowitzer
M.O. Speidel
- **Aspects métallurgiques et physiques des pièces en MIM** J.-F. Pérez
- **Polissage des pièces MIM** J. Picaut
- **Case Studies of MIM Components for Automotive Applications** J. Paal
K. Dollmeier
- **Examples of MIM Applications in the Field of Microengineering** G. Breitenmoser
- **ANNEXE: Metal Injection Molding**

A publication of the European Powder Metallurgy Association (EPMA)
